ABOUT ME

Hello everyone! I'm Matias. I'm someone who can bring various knowledge acquired thanks to my curiosity in different areas and disciplines.

I'm very social and empathetic, I love making friends and working in teams. I can communicate in English, Italian, or Spanish, and I'm always eager to learn another language.

Lately, I've been learning and working on various technological projects as a Full Stack developer and to be honest, I have a preference for Front-End, which is what I'm currently seeking, but I'm always open to learning new technologies.

I can also contribute my perspective in disciplines such as design and marketing, as throughout my life I've acquired knowledge in these areas.

I hope my experience and skills can be useful to you.
